Marian "J" Marshall

To Bunny or Short'nin'

Remember G.I. Joe

"Bunny"

Good Luck

My Dearest Darling Marian -

You know, out of all the dear books I've written, yours & someone else's has been the most fun!! I really mean it too. And since I'm the first to write here I really am honored, you see?

On this, your 5th birthday I want to wish you all the luck, happiness & success anyone could ever have because you're the gal that really deserves it. I have enjoyed having you as I mean to tell my trouble to, it has been a great consolation, even if you don't believe me — some day I'll prove it to you, some how.

And, my baby, I could never tell you in a hundred years what I think of you and have meant, have very, very much fun I have had in g with you! I could write a book about & still not say enough. I can remember so many good times we have had & some but few, bad times.

You're a wonderful gal and some day — you're going to really be big time. When you reach the top — remember me as that pal and an admirer of you & yourself.

I love you very much Marian forever — as you want me always

Carol

P.S. Am sending you a little present for your birthday. Hope you like it.

THE AMERICAN 1945

Dedication

Many of our classmates are in all parts of the world, fighting to insure and preserve the lofty ideals on which this great country was founded. They jealously defend the freedoms and opportunities gained by our forefathers in their quest for these same American ideals.

They are safeguarding our rights—the right to seàrch for knowledge, to make the most of our opportunities, to worship God as we see fit, and to keep an eternal faith in men by seeking a world-wide brotherhood of man.

Knowing that dauntless spirit and high courage such as theirs will live forever, we honor them for their heroic actions, their fortitude in battle, and their deathless purpose to preserve our American heritage and to gain peace and security in a better and happier tomorrow.

To you, our fellow students, who have gone to fight for freedom and liberty in a more glorious America, we proudly dedicate this American.

DEAR OLD A. F. HIGH

Dear old A. F. High,
Yes, we will love you till we die,
Your banners bright, of Red and White
Will be a beacon through the night.
Dramatic art, and ball, and track,
We always bring the honors back.
We get the pep,
We get the thrill,
From A. F. High School on the hill.
"Rah, Rah, Rah."

We, the Seniors of 1945, pay tribute to Principal Jesse M. Walker and to our devoted faculty, who, with Mr. Walker are our teachers, counselors, and friends. Through their wisdom and good judgment, they have provided many facilities for our education and recreation.

We thank Mr. Walker and the members of the faculty who have nurtured us, carried us through our difficulties, listened to our troubles, and have encouraged, directed, and advised us in times of success and of failure.

For the fine character traits, the outstanding leadership, the firm foundation for citizenship they have furnished us, and the guidance which will lead us to higher attainments, we salute our principal and faculty.

SENIORS

We are leaving American Fork High School with a certain feeling of reluctance . . . for leaving means saying good-by to all the carefree hours we have known here. It means leaving our studies and school activities. It means seeing our classmates scattered to all parts of the earth.

In saying good-by, we want to thank the school and the faculty, not only for preparing us to take our places as useful citizens of the community, but for giving us high ideals by which to live, and for setting up goals for us to attain.

We want, also, to wish you who follow after us as full a measure of happiness here as we have known, and to caution you to cherish your school days until you, too, say "Good-by."

The year 1944-45 has been a period of happiness for the Sophomores. When we entered high school last September, we were full of enthusiasm and eager to do our part for the good of our school. We felt that the Juniors and Seniors welcomed us, and we have put forth great efforts to make them proud of us.

Our class has been well represented in football and in basketball. In music, dramatics, debating, and school assemblies, Sophomore talent has found expression. We feel that we have made an excellent beginning. It has been a year of joyous experience. Our hope is to achieve even more as Juniors and Seniors than we have done as Sophomores.

NINTH GRADE

As the biggest little students of our school we have just completed a year which finally prepares us to become the littlest students in the great senior division.

For us this year has been one of happy experiences and substantial progress. We have not only begun many fine friendships, but we have laid firm foundations for our scholastic growth in the years ahead. We look forward with eagerness to becoming Sophomores and hope that we can add to the good name of "dear old A. F. High."

PEP CLUB

One and all, short and tall, those Pep Club girls have helped in bringing victory to American Fork High School during the 1945 basketball and football season.

With their attractive red dresses and trim white shoes, they made a very pretty picture as they wove themselves into patterns and welcomed other schools with all the spirit of young, enthusiastic members.

Under the able leadership of Frances Chadwick, President; Cleo Beck, Vice President, and Lorna Bateman, Stunt Chairman, the club has experienced a successful year—despite the eight o'clock practices.

Members are: Shirley Berg, Dora Dean, Alta Barratt, Betty Moubray, Nina Nielsen, Betty Pulley, Lucille Devey, Jewell Beck, Evelyn Wimmer, Norma Dean, Lorna Bateman, Ruth Bird, Lois Boulter, Lois Hanks, Geniel Robinson, Jewel Chipman, Joyce Houston, VeLoy Healey, Marian Humphries, Dora Whiteley, Helen Gardner, Lorraine Robinson, Jean Snyder, Jackie Miller, Barbara Brown, Beth Faddis, Melba Kirk, Delores Fehlberg, Lois Bowers, Dorothy Stice, Rae Marie Jerling, Joy Green, Ella Grace, LaPriel Parduhn, Napina Phillips, Frances Chadwick. Advisors: Miss Hunter, Miss Price. Not in picture: Ann Clowers, Colleen Robinson, Carma Gerber.

This year we have had cheer leaders of whom we are proud. In their smart red slacks, they have led our school triumphantly in cheering our teams on to victory. Their charm and vivacity have brought praise from visitors as well as from our own students.

Basketball

Winning second place in the "B" division of the state tournament is the distinct and coveted honor these boys attained. Their superb teamwork, speed, and fine sportsmanship gained them state-wide recognition. Although an off night kept them from being state "champs," they have brought distinction to our town and school. We are proud of our 1944-45 basketball team and its coaches.

Of such an impressive record any school in the state could be proud.

With no returning veterans this year, Coach Overly has done wonders with the boys, and, with some of the fellows below helping the few veterans who will return, he has his sights set on 1946 for another crack at the crown.

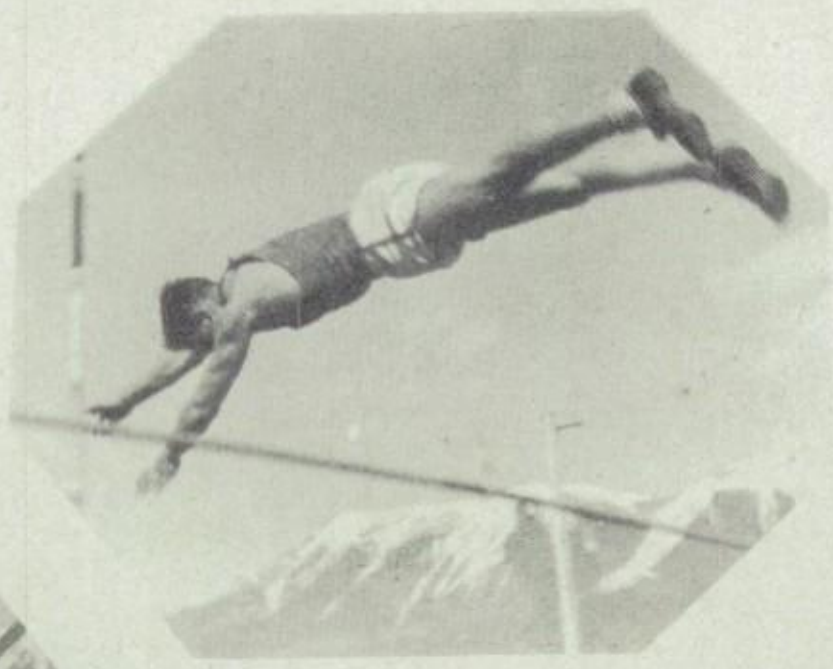
A. F. track teams are always among the best in the state. Even this year, in spite of losses to the armed forces, these boys brought in more than their share of the glory.



F. F. A.

The American Fork Chapter of the Future Farmers of America was organized in 1931 and is an active part of a national organization of farm boys who are studying vocational agriculture in the many high schools of the United States. This chapter is valuable in that it gives boys with a common interest in agriculture an opportunity to meet as a group and to develop leadership in the ranks of rural people.

This year the members of the chapter have contributed to the war effort by the production of food, the collection of scrap, and the purchase of War Bonds.

Over three hundred of its associate members are serving in the armed forces of our country.

Striving always to promote more and better entertainment in the field of dramatics, Kappa Delta Alpha has added a great deal to our speech department. This year "Girl Shy" was successfully presented as the annual K.D.A. play. A three-act play is the yearly project of this organization, the proceeds from which are used for the purpose of iproving the speech department. K.D.A. is a worthwhile and energetic organization, working always for the betterment of our school.

During this year the Beethoven Club has endeavored to accomplish its aim of seeking joy and inspiration from the lives and works of the great musical composers.

Our accomplishments of the year, in addition to our regular meetings, are Christmas caroling, a social for the boys in the service, and one of the most outstanding assemblies of the year.

It is the hope of every member that our club will become a greater factor for educational and cultural growth in the life of American Fork High School students with each succeeding year.

All students who strive to do their best are eligible for this society.

And Came the Spring

Hilarious from beginning to end was this year's annual school play, "And Came the Spring," a comedy in three acts. With an outstanding portrayal of every part and the excellent directing of Miss Theda Henke, this play ranks as one of the most successful ever produced in our school.

Student Director—Louise Beck

This year's Kappa Delta Alpha selection was "Girl Shy." Gay, industrious, frightening, idiotic, and totally never-to-be-forgotten moments were all experienced both during the rehearsals and the performances of our annual play. "Girl Shy" is an exciting fast-moving and enjoyable comedy. Each actor truly portrayed a definite "character" although we must admit that the P. G. cast was a little astounded at our new version of the third act). Hats off to Miss Henke and the K.D.A. for another job well done.

With part of the proceeds from the play a new microphone was added to last year's gift of a public address system. The remainder of the money has been set aside for the purchase of something more desirable after the war.

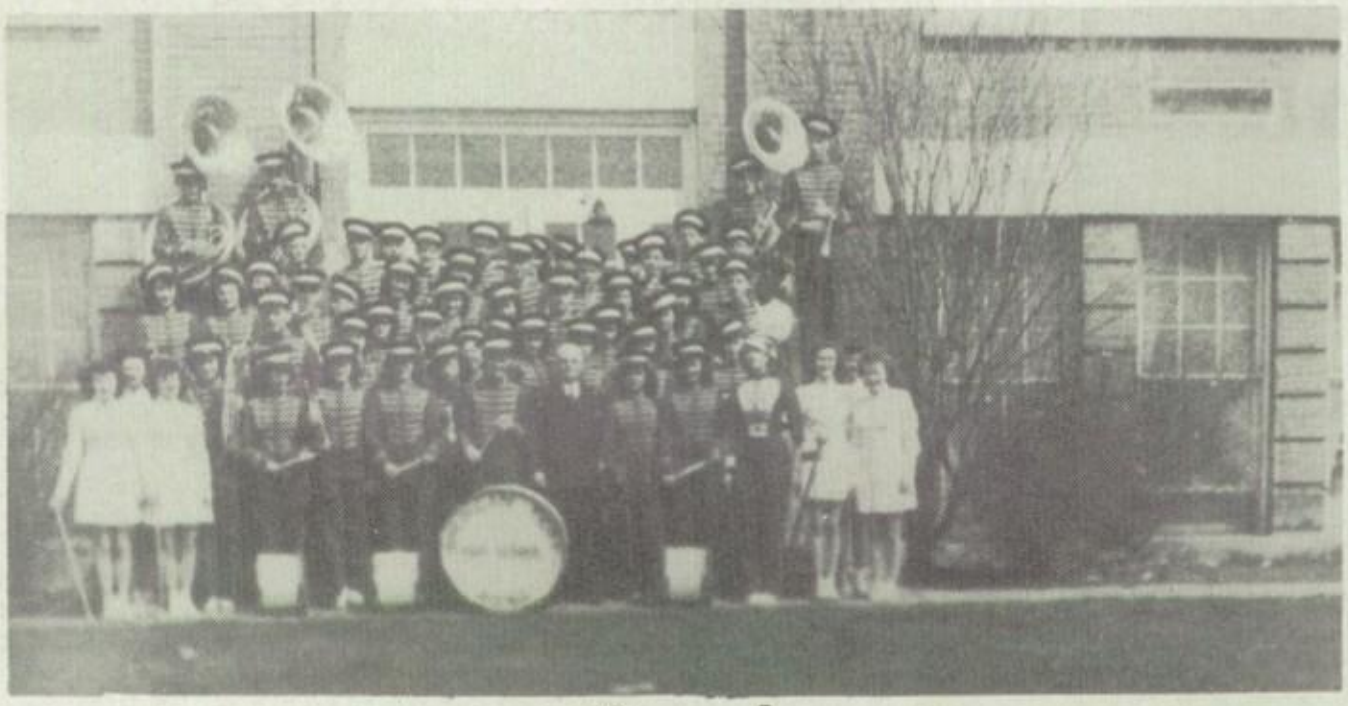
Another feather in the K.D.A.'s cap.

Orchestra

Howard Adamson, Lorna Bateman, Flora Mae Barratt, Louise Beck, Shirley Beck, Elaine Brown, Joy Green, Vernis Hansen, Shirley Hyde, Rae Marie Jerling, Ruby Lee, Jeanne Myers, Calleen Robinson, Vernon Shepherd, Dorothy Stice, Konna White.

Our high school orchestra, though small, has accomplished much this year. Through the unceasing efforts of its members and their leader, outstanding programs have been presented both at school and in the community.

High praise was given the orchestra for its work in the district spring festival and its part with the ladies' glee club in the Latona Concert Association's program.



Band

Shirley Allen, Howard Adamson, Robert Baker, Cleo Beck, Lorna Bateman, Boyd Bennett, LaBell Boley, Lois Bowers, Carol Boley, Ruth Bird, Edward Bunker, Vern Clark, Ralph Crystal, Gladys Christensen, Jewel Chipman, Beth Faddis, Bob Froelick, Bob Greenwood, Luana Greenwood, Helen Gardner, Anita Harvey, VeLoy Healey, Shirley Hyde, Fred Houston, Joyce Houston, Mariam Humphries, Leon Hartshorn, Lloyd Iverson, Ruby Lee, Janice Laursen, Jenny Lee, Jeanne Myers, Richard Mercer, Roland Madsen, Russell Mickelson, Evelyn M. Wimmer, Francis Murdoch, Warren Monson, Douglas Nicholes, Jay Ovard, LaPreal Parduhn, Willard Peterson, Jed Pritchett, Mary Peck, Fay Roundy, Blaine Singleton, Mae Jean Schriber, Arlo Shelley, Vernon Shepherd, Dean Shelly, LaGrande Terry, Don Tregaskis, Bert Wride, Phil Green, Leland Bethers, Bob Carstenson, Earline Van Wagoner, Joyce Singleton.

The pep and patriotism of the band is unsurpassed. At games and other school events our colorful band always appears to support the activities. Their enthusiasm and stirring music spur us on to do our best.

We are proud of this organization and its able leader, Mr. Bird, for the impressive way they have upheld our standards.

LADIES' GLEE

This year has been a complete success for the Ladies' Glee. Beautifully rendered numbers speak well for their thorough training. Their radio program and the programs they have given in assemblies were greatly enjoyed.

These girls present their music in a manner that bespeaks the ideals and character for which they stand.

John Bennett, Richard Benton, Fred Benton, Dale Brown, Carol Boley, Ralph Christensen, Vern Clark, Leo Cleghorn, Dee Crandall, Norman Connelly, Murdin Clements, Robert Drew, Donald Ellis‌on, Ray Greenwood, Frank Grimmett, Kenneth Hunter, Lloyd Iverson, Luris Lamph, Arthur Lund, Roland Madsen, Tom Marshall, Stanley McAllister, Francis Murdoch, Douglas Nicholes, Blaine Richan, Glade Roberts, Dick Seastrand, Kent Searle, Eugene Steffen, Carl Shipley, Willis Spafford, Junior Strong, Floyd Terry, Eugene Ecker, Merrill Varney, Melbourne Whitby. Kenna White, Dell Wilde, Adair Bromley.

MALE GLEE

Nothing can fill our hearts with the desire to sing and live as well as our Male Glee. Their haunting melodies greet us first thing in the morning and keep us happy the whole day through.

Their songs prove their diligent work and cooperation with their leader, Mr. Bird, and their joyful singing proves their interest and love for their art.

Debating in A.F. has been one of the more prominent activities of the school. These students can usually be counted on to argue their way into or out of some pretty tight situations and gain some recognition to the effects of their abilities. Only one complaint has been heard—there are not enough girls in the class.

"Shine On, Harvest Moon"

JUNIOR CHILTON

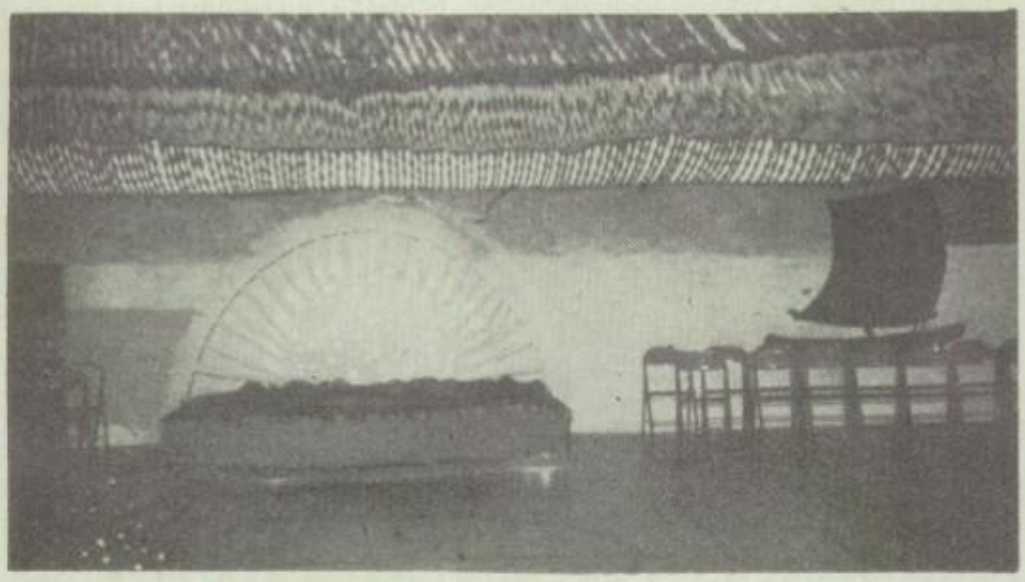
Senior Hop Co-Chairmen

We shall never forget the greatest event of the fall of 1944—our Senior Hop! With "Shine On, Harvest Moon" as our theme, it couldn't help being the shining success it was, and we do mean shining. Remember our moon? The gilded cornstalks, pumpkins, and blue stile added touches of real harvest to our Hop; and the blue, black, and gold color scheme gave it an atmosphere of romance. Over it all, our golden harvest moon shone brightly—but remember how fast it disappeared when the crowds gathered?

Weren't we excited when the strains of "Shine On, Harvest Moon" began to play, and girls in their beautiful formals came over the little bridge to meet partners in front of the moon, and then strolled down the hall in an unforgettable "Hopenade"? The orchestra was good too, wasn't it?

We give thanks to all those who worked so hard to make our Hop a success—to Miss Isom and Mr. Wadley for their suggestions and help; to the Hop Committee for their hours of planning and work; to the Senior class for its enthusiastic help. Without your cooperation we could not have had such a successful Hop!

We shall long remember "Shine On, Harvest Moon"!



Junior Prom

HAWAIIAN SUNSET

"Hawaiian Sunset," the romantic theme chosen by the Juniors for their annual Promenade, made this social event a special success. Dreamy music, a gorgeous sunset, and the colorful background lent an atmosphere of gay romance that the dancing couples will long remember.

Advisors were Miss Zetella Price and Mr. Ferrill Sorenson. The Prom Committee was headed by Rhees Ririe and Gladys Grant as co-chairmen.

LUCILE OKEY
Editor

When school began last autumn
We were in a dreamy haze,
That was just a mental hangover
From lazy summer daze.

When the cool, crisp days brought energy
To our lethargic brains,
We decided to get busy
On the Forkaster's remains.

Lucile was chosen editor
The staff was picked, and so,
When reporters all were chosen
We yelled "All right, kids, let's go!"

We snooped around to locate news,
We sighed for inspiration;
And as the deadline crept up close,
We worked with desperation.

Each issue meant worry and work for all,
But it also meant laughter and fun,
And the satisfied, rosy, contented glow
That comes from a job well done.

And now the time has come to go—
We cannot help but sigh;
We never knew how we loved it all
Till we had to say

Goodbye!

The Staff

Reporters at Work

AMERICAN

This year the staff is different. In the hope of making the yearbook more representative, we abandoned the idea of the traditional yearbook staff and accepted contributions from every interested student. Many of these contributors are represented on this page. They range from Sophomores to Seniors with very little faculty interference. Even then, without the perseverance of Carma Gerber, the untiring devotion of Dean Shelly, the attention to details of Wayne O'Neil, the artistry of Richard Benton, and the pinch-hitting of Tracy Nicholes, there would have been no yearbook. But in those last weary hours when the tired fall by the wayside, it was Janice Laursen, Paul Mecham, Dean Shelly, and Wayne O'Neil who refused to quit and stuck it out until the last line was typed and the last picture placed. Theirs was that last "big heave" that finished the job.

School Calendar

September 14—Come on, kids, don't keep the teachers waiting. Those inviting doors have been opened once more for the year 1944-45. Certain premonitions tell us that this is going to be a most eventful year.

September 15—Our first real day of school and already the teachers are giving us piles of work. Oh, well, it looks as if someone is napping already.

September 25—A few sore spots and a lost appetite were the results of the K.D.A. initiation. The new members really earned their way into this organization: Raw liver is SO delicious.

October—Our first preseason game was a main event because it made us realize that our team is the best team ever.

October 26—Oh! you Sophomores, go wash that lipstick off! The short skirts and rolled-up pants legs really became a one-day fashion hit. How did the Seniors expect the Sophomores to get acquainted when that onion and garlic aroma is so breathtaking? Never mind, Sophs, you will be mighty Seniors some day.

October 26—On this same eventful afternoon our first season's football game was played with P. G. No question as to the outcome of the game, of course; it was our victory.

October—Our first report cards were given out. For a few days after the delightful event a few students just wouldn't sit down.

November—Place: Senior Hop. George Scott: "It's so dark we can't see anything." Junior Chilton: "Who wants to see anything?"

November 24—Thanksgiving vacation consisted of a two-day leave from school. Oh, Mom, bring on the castor oil.

December 17—This night was one of thrills and unexpected happenings as the K.D.A. presented their annual play, "Girl Shy." Even P. G. commented on our originality.

December—The day of parting was one of sadness as Boyd Bennett left for the Navy. We will miss his jolly greeting but look for his return.

December 24—Out for Christmas! Hurrah! Well, even those three days will be heaven.

January 2—First day of school for the New Year and only four and a half more months to go. We all resolve . . . oh, heck, what's the use?

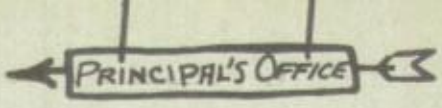
January 5—We played our first season basketball game and came out on top with 34-25 score. What a team! The Pep Club also made its successful debut. Last, but not least, was the Pep Club mascot which made its grand entrance.

January 15—B. Y. High School must have had the luck, for the game really should have been ours. The one-point difference was in their favor.

January 26—Hats off to the faculty for one of the best assemblies of the year. Many unknown talents were brought out in "The Wedding of the Painted Doll." There were laughs and songs galore.

February 2—Once more we played our old rivals, Lehi, in basketball. The victory was overwhelming as we scooped them right under.

School Calendar

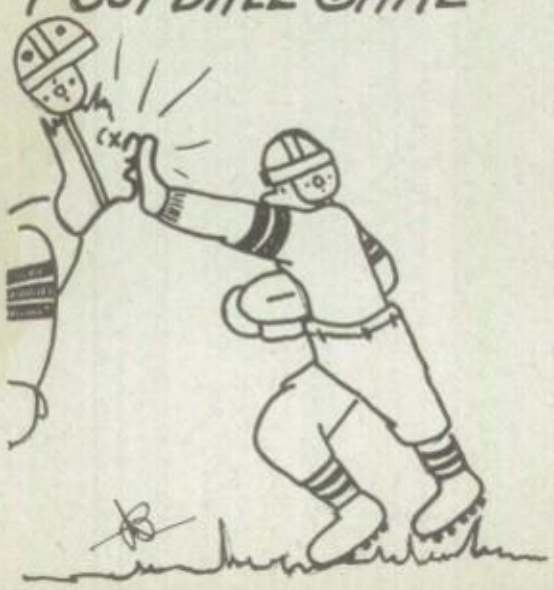


"REGISTRATION DAY"

"FIRST DAY OF SCHOOL"

"SOPHMORE INITIATION"

"FIRST FOOTBALL GAME"



February 28—The school play was a complete success. "And Came the Spring" presented fast-moving moments with laughs and excitement all the way through.

March 2—For weeks after the B.Y.U. Assembly the school had a new theme song. This was a most unusual program.

Once again we lost the game to B. Y. High by one point. We are still going to the tournament or "bust." Our team's determination has proved this.

March 13—New members were initiated into the National Honor Society. By all results their admission was really earned. It seems that some people just didn't know when to cry.

March 15, 16, 17—We're off to the state tournament with full confidence in our team.

Our team defeated Delta the first day and Murray the second day. We watched our team with pride as they won fame and recognition among all the fans. With their close teamwork, it is no wonder they won second place.

March 21—Our orchestra took part in a district festival where all the high school orchestras combined to make one huge orchestra.

March 23—The Juniors dream of the best Prom yet became a reality. Their "Hawaiian Sunset" presented a broad and beautiful theme. Even their assembly was something out of the ordinary.

March 29-30—Speech tournaments are always exciting, especially this one which presented real competition. They couldn't hold us down, even though they tried hard. We came back with second place.

April 2—Francis Murdoch, Willis Spafford, and Stanley McAllister left to enter our armed forces. We wish them a safe return.

April 4—A musical lyceum number was presented by our orchestra and ladies' glee. Of course, it was successful.

April 6, 7—Speech tournament at B.Y.U. Our departments bring back the honors again.

April 12—Our school and nation mourn and the world is saddened at the news of the death of President Roosevelt.

April 20—"Aren't you boys even getting ready yet?" This was the common question from the girls on Girls' Day. This was just their chance to get even.

May 7—The high school stands deserted as the kids go to Lincoln to bring back their share of trophies as well as good sunburns on "Field Day."

May 9—The community resounds as the bands from the districts have their annual festival.

May 10—For once in a year, the school was peaceful and quiet. Why? The Seniors had taken off to Granite Flat.

May 16—Amid laughter and tears, the Seniors say "good-by" to all their old haunts and companions. Their place will be filled by the Juniors as the mighty Seniors leave. They leave behind them another happy, completed school year and have before them a future of hope.

Aw Nuts! Thanks for "borrowing" me your book! I like the blondes - but oh you brunettes! I like your disposition. Really, I don't know yet why I write anything, but, at least I get a thing with you. Your insults are cute but out. I hope we can always be the friends we are now! I don't know anything about the "Windsor" people. I hope he is handsome and you meet him.
